12th Annual Pumpkin Shootout

- On November 6th the Ace Eagle Disc Golf Club will be holding the 12th Annual Pumpkin Shootout at Mesker Park Disc Golf Course and Woodmere DG course. This event is sanctioned by the Professional Disc Golf Association (PDGA.com) as a B-Tier & is expected to draw a regional field of competitors. The 11th Annual Pumpkin Shootout was our biggest event to date & Our Disc Golf Courses received great reviews. We fully expect this year's event to quickly reach the capacity of 150+ players.
- In past years, we had men & women of all ages playing from Indiana, Kentucky, Ohio, Illinois, Michigan, Missouri, & Tennessee. There will also be a Glow round on Saturday November 5th, so most of our out of town competitors will be here all weekend spending money in the tri-state.

This event is made possible by the generous donations we receive from our sponsors. Advertising your establishment will help both of us. Please support this great Evansville tradition!
